

SIRE provides a community where horses help people with disabilities and challenges to live their best life.

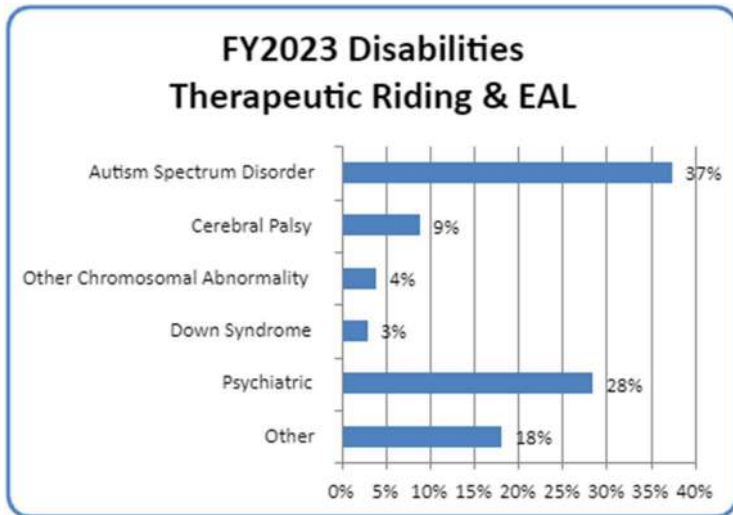

Program Highlights

SIRE provided over 6800 service hours to 307 unduplicated clients through a combination of our weekly Therapeutic Riding (TR) program (168 clients, 4770 hours), the Equine-Assisted Learning (EAL) program (67 students, 252 hours), the veterans program (72 clients, 660 hours), and the competition program. From our annual survey, 100% report they benefited physically, emotionally/psychologically, or socially from Therapeutic Riding, and 87% of clients report that SIRE has been the best activity of all the various therapies and activities they have tried.
